Gastronomy philosophy

When words fail to describe feelings, flavors take the lead. A kiss may be sweet. A goodbye, bitter. A new acquaintance, spicy! That's why in Mayor Hotels & Resorts' restaurants, we introduce our guests to a world of feelings, through a gastronomical adventure, full of flavors and scents of the Mediterranean.

In Corfu, the Venetian temperament meets the Greek land and together they form the culinary palette of the island, with tastiness being its main ingredient. Every local dish hides in its flavor the rich history and cultures that have passed by this place. In Mayor Hotels & Resorts you can enjoy them all, one by one, in our restaurants.

Here, exquisite hospitality is coupled with a collection of tasty suggestions that fits every mood. Wander around the culinary journey of our restaurants through countless choices, and discover local and international flavors for every hour of the day.

Some of our hotels offer the unique Dine Around Concept, allowing you to enjoy a plethora of culinary delights and flavors in any of the hotels' restaurants and bars all day long. Our inspiring menu, consists mostly of Greek and Mediterranean dishes, but has also international flavors.
